Board of directors

Composition and election of directors

Article 19

19.1. The Association shall be managed by a board (the "**Board of Directors**" or the "**Board**") in accordance with the following rules:

19.1.1. The Board shall consist of at least three board members ("**Board members**" or "**directors**"). The maximum number of directors shall not exceed three directors per Platform in

addition to the Chair.

19.1.2. The directors shall be natural persons who shall be elected by the Ordinary General Meeting upon proposal by a Platform in accordance with Article 28 and 29 (without prejudice to other rules applying to the Large Buyout Platform). At the time of their election, each director shall be assigned by the Ordinary General Meeting to Class A, Class B, Class C or Class D, whereby the directors that are proposed by the same Platform shall each belong to a different Class. The Platform that has initially proposed the director who is appointed Chair is entitled to propose one additional director, who will be a Class D director. Therefore, there can only be one Class D director at any given time. Apart from the timing of their term of office as set out in Article 19.1.3 below, there is no difference between the mandates of Class A, Class B, Class C and Class D directors once appointed.

19.1.3. The term of office of each Class A, Class B and Class C director shall in principle be three years provided that:

- (a) directors in Class A shall have their term expire immediately after the closing of the Ordinary General Meeting held in 2013 (and every three years thereafter);
- (b) directors in Class B shall have their term expire immediately after the closing of the Ordinary General Meeting held in 2014 (and every three years thereafter); and
- (c) directors in Class C shall have their term expire immediately after the closing of the Ordinary General Meeting in 2015 (and every three years thereafter).

The term of office of a Class D director shall be one year expiring immediately after the closing of the following Ordinary General Meeting or, if earlier, the date on which the Chair is no longer a director who was initially proposed by the Platform of the Class D director.

19.1.4. Each Board member shall have one vote without prejudice to the casting vote of the Chair as set forth herein.

19.2. The General Meeting shall endeavour the Board of Directors to be a fair representation of Invest Europe's (i) geographical membership, (ii) sectors, (iii) size and (iv) industry type.

19.3. Each year, to the extent vacancies exist or terms of office expire immediately after the closing of the Ordinary General Meeting held in that year, the Board members of the Association shall be elected in accordance with the following procedure:

19.3.1. Each year, each Platform shall present to the General Meeting a number of candidate Board members (the Vice-Chair and/or one or more Elected Platform Council Members) not exceeding the number of vacancies or expiring terms of office that are reserved to such Platform.

19.3.2. To that effect, the Vice-Chair of each Platform, including for the avoidance of doubt the Large Buyout Platform, shall send to the Chair of the Board of Directors the names of the Platform's candidate Board members one month prior to the date of the Ordinary General Meeting so that the Chair of the Board of Directors can circulate this information to all members of the Association together with the convening letter to the General Meeting. No later than two weeks prior to the date of the Ordinary General Meeting, the Vice-Chair of each Platform shall send a résumé of each of the Platform's candidate Board members to the Chair of the Board of Directors.

19.3.3 When proposing candidate Board members, a Platform shall give preference to such Platform's Vice-Chair to the extent such Vice-Chair is not yet a Board member, has not

previously been dismissed by the Ordinary General Meeting in accordance with Article 19.8, and has not previously not been elected by the Ordinary General Meeting after being proposed as a candidate Board member by the Platform.

19.3.4 To the extent additional vacancies or expiring terms of office exist, the Platform Council Members shall elect, as set forth in Article 29 below, from among themselves a number of Elected Council Members as candidate Board members not exceeding the number of vacancies or expiring terms of office that are reserved to such Platform.

19.3.5. The Ordinary General Meeting, deciding with the majority set forth in Article 16 hereof, shall elect the Board members from among the candidate Board members presented by each Platform and specified in the convening letter to the General Meeting.

19.4. The Board of Directors may decide to invite individuals to its meetings, be it on a permanent or non permanent basis. Under no circumstance shall such external individuals be given voting rights.

19.5. The directors may be re-elected by the Ordinary General Meeting, deciding with the majority set forth in Article 16 hereof, provided that the total uninterrupted term of their mandate (taking into account any re-elections) shall not exceed 6 years. If the total uninterrupted term of their mandate equals or exceeds 6 years, the directors may be re-elected by the Ordinary General Meeting, deciding with the majority of at least four-fifths of the votes.

19.6. Should any of the mandates of director not be filled in accordance with Article 19.3.5 above or become vacant, whatever the reason may be, the remaining directors shall have the obligation, as soon as reasonably possible, to temporarily fill such vacancy by co-opting a member to the extent a candidate Board member is proposed among the Platform Council Members by the Platform Council that initially had proposed the director whose mandate was not filled or has become vacant or, in the case of a vacant Class D director position, by the Platform Council that has initially proposed the director who is appointed Chair. The newly appointed director completes the term of the director whom he replaces. In case of more than one vacancy, the remaining directors shall have the obligation to temporarily fill all such vacancies by co-opting members in accordance with this Article 19.6. Platform Councils shall apply Article 19.3.3 and 19.3.4 when proposing candidate Board members.

19.7. As long as the General Meeting or the Board of Directors has not filled a vacancy, whatever the reason may be, the director whose term has expired continues to carry out his duties if the Board of Directors would otherwise not consist of the legal minimum number of members.

19.8. The General Meeting, deciding with the majority set forth in Article 16, is entitled to dismiss a director at any time without any indemnity due.

19.9 The combination of a mandate as Platform Council Member and of a mandate as director shall be governed by the following principles:

19.9.1 Should any director cease to be a Platform Council Member pursuant to his resignation or dismissal, his mandate as director shall automatically end simultaneously with the ending of his mandate as a Platform Council Member.

19.9.2. Notwithstanding the duration of a Platform Council Member's mandate mentioned in Article 27.3, should the mandate of a Platform Council Member who was appointed as a director pursuant to Article 19.3 expire before the end of his mandate as a director, he shall automatically remain a Platform Council Member for his term as a director without a need to stand for the

Platform Council Members' elections during such term, except in the event set out in Article 19.9.1 in which case his mandate as a director shall end simultaneously with the ending of his mandate as a Platform Council Member.

19.9.3. If the mandate of a Platform Council Member was extended as set out in Article 19.9.2 during his first three-year mandate as a Platform Council Member, such mandate shall automatically terminate upon the termination of his mandate as director and, in such event, he shall be eligible for re-election at the next Platform Council Members' elections as set forth under Article 27.4; provided that if his mandate as Platform Council Member was extended as set out in Article 19.9.2 during his second three-year mandate as Platform Council Member, such mandate shall automatically terminate upon the termination of his mandate as director and, in such event, he shall not be eligible for re-election at the next Platform Council Members' elections.

25.2 The creation and closing of a Platform is decided by the General Meeting on proposal of the Board. Their way of internal functioning, except in the case of the Large Buyout Platform, is determined by the Board.

25.3 Unless decided otherwise by the Board in accordance with the previous paragraph, the European Private Equity Roundtable, an international non-profit association organised under Belgian law (hereinafter referred to as “**EPER**”), constitutes the Large Buyout Platform. EPER’s representative bodies shall, in accordance with EPER’s Articles of Association, assume the functions set forth in Articles 27, 28 and 29 of these Articles of Association for the Large Buyout Platform. Articles 27.3 and Articles 27.4.2 to 27.4.9 shall not apply to the Large Buyout Platform. EPER shall elect, in accordance with EPER’s Articles of Association, representatives to act as Elected Platform Council Members in the meaning of Article 27 and Article 29 herein, and the Chair of EPER shall act as “Vice-Chair” within the meaning of Article 28.1 herein. EPER shall assume the function vested in the Platform Councils by Article 27.2 of these Articles of Association.

Platform membership

Article 26

26.1 The full members of Invest Europe may, together with their application for membership of Invest Europe or at a later stage, apply for membership of one or several Platform(s) (“**Platform Membership**”). The Board of Directors will decide upon such application but may decide to delegate such power to the Chair, who shall inform the Board of Directors of his/her decision in this respect at the next Board Meeting following his/her decision. The Board of Directors or the Chair, as the case may be, decides, at its own discretion and without any obligation to motivate or any appeal of such decision being possible. To update its members on activities and be responsive to its members' input,

To review services provided and, on behalf of its members, request changes or improvements to such services as required.

27.3. The Platform Council shall be composed of at least seven and at most fifteen Platform Members (the "**Platform Council Members**"). Should the Platform Council have less than seven Platform Council Members, it shall nevertheless be deemed validly constituted if all provisions of these Articles of Association regarding the election of Platform Council Members have been complied with. Except as provided in Articles 19.9, the Platform Council Members are elected for a renewable three-year term, provided that a Platform Council Member may not hold more than two consecutive terms. In derogation from the above, a Platform Council Member may however stand for re-election as Platform Council Member immediately after two consecutive terms upon the express and prior authorisation by the Board of Directors, which shall decide with a simple majority, following a request to that effect made by the Platform Council Member candidate for re-election at least one month in advance of the call for candidacies referred to under Article 27.4.2.
