

HIGHLIGHTS 2022

Industry Data & Research

Invest Europe's research department is the most authoritative source of reliable data on the European private equity and venture capital ecosystem. Trusted by our members and public institutions, used by the media and academics, Invest Europe reports empower our political advocacy and communication work. We aim to tackle - with facts and data - the issues the industry faces.

Highlights 2022

- Launched the first data collection exercise on 10 ESG KPIs, a ground-breaking effort run on the [European Data Cooperative](#) platform (EDC) to track the progress of the industry on key issues
- Release of the first edition of "Mid-Market private equity: Europe's engine for growth" report, exploring Mid-Market's essential and growing role in Europe
- A new edition of the essential report underlining the industry's key role in employment and job creation on the 2019-2020 period: Private Equity at Work
- Update of essential analyses on Capital under Management, Dry Powder, Transaction value and Performance
- Publication of the market sentiment surveys. On mid-market and large buyout market with Arthur D. Little. On VC, with the EIF via their VC survey
