

HIGHLIGHTS 2023

Governance & Finance

Invest Europe employs seasoned professionals with deep experience and adheres to operational best practice to create a world-class association that works for all members.

Highlights 2023

- Expanded the team with 4 full-time equivalent hires including:
 - a newly created position of Business Development Director
 - two research officers
 - one public affairs officer
- Created the Listed Private Equity Capital roundtable through the integration of the former London-based LPeC (Listed Private Capital), the leading association for listed private capital providers
- Opened a London office at 78 Pall Mall, St James's, to better serve Invest Europe's 210 full and associate members in the UK, Ireland, and the Channel Islands
