

HIGHLIGHTS 2023

Industry Data & Research

Invest Europe's research department is the most authoritative source of reliable data on the European private equity and venture capital ecosystem. Trusted by our members and public institutions, used by the media and academics, Invest Europe reports empower our political advocacy and communication work. We aim to tackle - with facts and data - the issues the industry faces.

Highlights 2023

- Publication of the first ESG KPIs report based on the 10 metrics collected via the European Data Cooperative platform (EDC), marking the start of annual measurement of industry progress on key ESG issues
- Publication of the first edition of "Venture Capital: Fuelling European Innovation" designed to inform about the role and benefits of venture capital and growth equity investment
- New release of "The VC Factor: Gender Lens Edition" mapping European VC ecosystem and tracking gender diversity in greater detail than ever
- New edition of the "Private Equity at Work" report underlining the industry's key role in employment and job creation in the 2020-2021 period
- Update of essential analyses on Capital Under Management, Dry Powder, Transaction Value, Mid-Market and Performance
- Publication of the market sentiment surveys on the Europe mid-market and large buyout market with Arthur D. Little, and on venture capital with the EIF
