PRACTICUM LEADER

Christian Rangen is CEO of Strategy Tools and Chair of the Board of Link Capital.

Christian has been strategic advisor to investment firms, fund of funds, foundations, ministries, and governments on private capital, investments and entrepreneurship. He has been on the inside of 300+ equity rounds, across pre-seed to post-IPO. He has been an LP in multiple funds and fund-of-funds.

Christian does extensive work on the venture capital and private equity ecosystem development globally, including:

- Worked with 250+ emerging managers
- Ran GP Accelerator programs in Africa, APAC, MENA
- Ran VC Fund Manager Masterclasses globally
- Teaches VC at IMD, LBS, etc.

Christian works on developing better, smarter ways of working for emerging fund managers and emerging LPs as well as more liquidity paths in the private capital ecosystems from the Nordics to frontier and emerging markets.

Based in Norway, Christian enjoys working with amazing people from all around the world.
